

## Spread Love for Plain Language

|                 |   |
|-----------------|---|
| Project Title   | Spread Love for Plain Language  |
| Project Summary | Apply your interest in writing and literature to the advancement of plain language. |
| Country         | United States   |

## Project Description

This internship will challenge you to promote the use of plain language among a variety of stakeholder groups. You will do this by assisting the National Institute of Corrections in plain language content expansion, writing about plain language topics for an internal audience, and scheduling public plain language events in partnership with the Plain Language Action and Information Network.
